

We invite you to take part in our 2021 Bible reading plan that takes a journey through Psalms, Proverbs, and the entire New Testament. We have put this together in hopes that it will give you a guided plan to help you get started and maintain a discipline throughout the year to consistently stay in the Word of God. If you already have a plan that you use, please consider adding this to what you are doing. We believe God will bless us in some unique ways as we take this journey together. This plan requires less than five minutes daily reading on most days. We have also added a prayer prompt taken from a verse from that day's reading. This is not only to help us to pray together about some needed things in our lives and in the church, but also to help us to be guided by the Word of God in our praying.

Come along with us for the journey!
